- **Date of Registration**

The “Date of Registration” is defined as the date at which the relevant national registry declares that the horse has been accepted for registration. National Registries will be responsible for confirming the date of registration. Entries must either present the relevant registration certificate or enclose, with the entry form, a letter by the registrar confirming that registration will be completed before the first day of the show.

- **General Classes**

Classes of the following categories are recognized by EAHSC:

- foals (males and females, or combined; see also “Foal Classes” below),
- colts (junior males, 1-3 years old),
- fillies (junior females, 1-3 years old),
- stallions (senior males, 4 years+),
- mares (senior females, 4 years +),
- geldings (junior (1-3 years old) and senior (4 years+), or combined (1year+)).

All open classes, with the exception of foals, are qualifiers for A and Title shows.

Foal Classes

In those shows where foal classes are held:

- a) Foals may not compete in EAHSC Championships, nor will they qualify for any future Title or A Show.
- b) When foal classes are organized at EAHSC affiliated shows, the EAHSC Rules will apply.
- c) Foals must have a minimum age of four weeks at the date of the show, and must be shown at foot (with the dam) up to 6 months of age. Orphaned or rejected foals under six month may not be shown.
- d) The use of metal halters and halters with metal chains is forbidden.
- e) A comparative judging system is recommended.
- f) All the rules pertaining to foal classes must be clearly indicated in the schedule and the catalogue.
- g) With regards to stricter rules for the welfare of foals, organisers may introduce their own rules as long as these are presented to ECAHO for approval prior to sending out the schedule and are clearly stated in the show schedule and catalogue.

Foals - for identification purposes:

Foals under six months shown in foal classes with their own mother need no special documentation, but the mother must have all necessary documents.

Foals over 6 months shown without their dam, foals from Embryo Transplant or foals with foster mothers which are shown in foal classes and do not yet have a passport, must be micro-chipped and in possession of a copy of the official Stud Book Registration form, showing the micro-chip number and the graphic description of the foal.

Championship Titles

There will be three prize winners in each category - Junior Males, Junior Females, Senior Males, Senior Females and Geldings (junior and senior or combined):

Champion Gold Medal, Silver Medal, Bronze Medal.

If there are sufficient yearling entries and the Show Organizer wishes to hold separate Yearling male and Yearling female Championships, there will be three prize winners in each of these categories

The Rules for Championships must be clearly explained in the Schedule and the Show catalogue.

Top Five System

This system is optional for any show, provided there are a sufficient number of horses present:

The top 50 % of each class minus one, but not more than 5 horses, qualify.

- e.g.:
- | | |
|------------------------|----------------------|
| 5-6 starters → | places 1 - 2 qualify |
| 7-8 starters → | places 1 - 3 qualify |
| 9-10 starters → | places 1 - 4 qualify |
| 11 and more starters → | places 1 - 5 qualify |

All qualified horses of a category - Yearling Males, Yearling Females (where appropriate), Junior Males, Junior Females, Senior Males, Senior Females or Geldings - come into the ring. All first placed horses stand in the front row, all second placed horses in the second row, all other horses (places 3.-5.) in the third row.

The judges select their Champion Gold medal, Silver and Bronze medal winners according to the rules for Championships. The judges will then select two more from all the remaining horses which together with the three medal winners form the Top Five.

Rules for Ties and Championships

Rules for Ties in Qualifying Places

In the event of a tie in the qualifying places of a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. Failing a decision on either of these, one judge chosen by ballot will name his preference.

Rules for ties in Championships

In the event of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. If there is still a tie, the rules for ties in qualifying places will be applied.

Rules for Championships

The organizers may decide which method to apply in their Show:

- a) Standard ECAHO method
- b) Standard ECAHO method with a modification
- c) Open method

European Arab Horse Show Commission

Rules for Ties and Championships

a) Standard ECAHO method

1. Championships will be judged as follows:
 - a) The horses placed first in their class line up ordered according to age. The horses placed second in their class line up behind them in the same order.
 - b) The first placed horses will be judged individually, standing and trotting.
 - c) The Champion Gold medal winner is selected from amongst the horses placed first in their class by individual written votes from each judge. The horse with the highest number of votes will be Champion Gold medal winner. In the event of a tie, the horse that received the highest number of points in its class will be declared Champion Gold medal winner. In the event of a further tie, the "Rules for Ties in Qualifying Places" will apply.

The judges will not discuss the horses.

2. The Silver medal winner will be selected in the same way as the Gold medallist from all other horses that have qualified for the Championship.
3. The Bronze medal winner will be selected using the same system used to select the Silver medallist.

The votes of the judges in the Championships will be announced and will be published at the show office immediately after the judging has finished.

4. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.
5. If a horse placed first in its class is not able to take part in the Championship, the horse placed second in the class will move forward and be judged with the other horses placed first. Should a horse placed first be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship and, therefore, the second placed horse will not be judged with the other first placed horses. Substitutions for absent first-placed or second-placed horses by third-placed or lower-ranked horses will not be permitted.
6. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class but third or lower placed horses will not be entitled to enter the Championship.
7. In Title and A shows all horses that qualified for their respective Championship must remain at the showground until after their championships.

Stabling The stables should be grouped in one (max. two) areas. The horses must be housed in box stalls (covered if out of doors), made of resistant material providing the best possible conditions of security of the minimum dimension of 2,8 m by 2,8 m and minimum height all around of 2,7 m, for all foreign entrants. Proper bedding should be available on the show ground free of cost. A notice will be posted to the effect that "Training of horses will not be permitted in the stable area between the hours of 20.00 hrs and 06.00 hrs".

Feed and water

Running water must be available at the stables as well as a feed store where oats and hay can be purchased at current prices.

Show ring

Must be of proper size, at least 1'200 square meters (with the longer side at least 60 metres), of square or rectangular shape and of the least slippery ground as possible. It must be fenced all around with one or two entry-exit gateways manipulated by stewards. The layout of the show grounds must be attractively decorated as suitable for an international event.

The jury should be placed with their backs to the main spectator area. The show staff and/or officials should stand at a distance behind the judges and communicate only when indispensable.

Sufficiently large covered stands should allow the spectators to be seated while attending the show. The public address system must be clearly audible from the grandstands, the ring, the paddock and the stables.

Paddock (collecting ring)

should be of sufficient dimensions to allow all the horses of the biggest class to wait safely.

It must be located close to the show ring in order to allow the horses to pass easily from one to the other without having to walk over a long distance. The passage from paddock to show ring must be kept free from the public.

The precise schedule of the day's classes must be marked on a large signboard at the entrance to the paddock.

Stewards must control both the entries and the exits to the paddock and the ring according to the proceedings of the show.

Staff

The number of staff members of an International Show will depend on the importance of the show, size of the grounds, number of entries foreseen and/or other technical considerations.

Guidelines for ECAHO Officials and Show Organisers

Reimbursement and hospitality

The show organiser is requested to provide judges and other officials (DCs, Ringmasters, etc.) with transport, accommodation and meals during the show. He may book transport, such as flights, himself or ask the officials to do so. In case of the latter, the show organiser is requested to reimburse economy flight tickets, second class for trains or 0,36 € per kilometre by car (but not more than the average economy flight ticket). If an official cancels the invitation after the travel arrangements have been made, he will pay all the costs arising out of this booking. Any infringement should be reported by the show organiser or the ECAHO official, respectively, in writing to the EAHSC.

Hosting of Officials

The Officials should be invited well in advance of the show, as their replies must be received in time to have their names printed in the schedule. Accommodation should be booked for them near the showground. Organisers are responsible for the hotel charges for room and food. Reasonable travelling expenses must be paid. Transport from and to the airport and between hotel and showground should be arranged and the Officials have to be informed about the times of pick-up. No catalogues giving the names of exhibitors or horses should be available for the judges in advance of the show. Any unpaid expenses with the Officials will be settled before they return home.
